

GOVERNMENT OF ANDHRA PRADESH  
ABSTRACT

Infrastructure & Investment Department - Development of Integrated Transport Planning for Hyderabad Metropolitan Development Area – Entrustment of Project Study to the Infrastructure Corporation of Andhra Pradesh (InCAP) – Orders – Issued.

---

INFRASTRUCTURE AND INVESTMENT (PORTS.II) DEPARTMENT

G.O.Rt.No. 188

Dated:27-7-2009

Read the following:

1. Minutes of meeting held on 25-06-2009.
2. From the Vice-Chairman and Managing Director, Infrastructure Corporation of Andhra Pradesh, Hyderabad,  
Lr.No.INCAP/D/HSRL/215/2007-08, Dt.7.7.2009.

\*\*\*\*\*

ORDER:

Government have examined in detail the proposed Express Rail Link Project from old airport at Begumpet to new Rajiv Gandhi International Airport, Shamshabad and found it financially not viable and operationally less useful to public as it provides connectivity only for airport bound passengers from a few parts of the city. Government have therefore felt that a circular high speed rail along the Outer Ring Road with necessary radial connectivity to the city and to the Rajiv Gandhi International Airport could be of more convenient to public living in different parts of the city.

2. The Vice Chairman & Managing Director, Infrastructure Corporation of Andhra Pradesh vide his letter 2<sup>nd</sup> read above has requested the Government to issue orders to take up the above Project Study.

3. Government, accordingly hereby direct the Infrastructure Corporation of Andhra Pradesh (InCAP) to conduct a detailed study to develop Integrated Transport Planning for year 2050 covering entire Hyderabad Metropolitan Development Area (HMDA) by engaging internationally reputed consultants.

4. The Study shall cover integrated planning for Road and Railway network along the Outer Ring Road with adequate radial connectivity to the city center and interchange facilities at different places including the existing railway stations, proposed Metro Stations and MMTS Stations.

5. The plan shall be prepared in partnership with Railways so that existing rail infrastructure can be integrated in the comprehensive plan. The plan should also cover connectivity to the Rajiv Gandhi International Airport, Shamshabad from all parts of the city.

6. The expenditure for the project study shall be met by the Infrastructure Corporation of Andhra Pradesh from within the budgetary allocations of the Corporation.

(PTO)

// 2 //

7. The Vice Chairman & Managing Director, Infrastructure Corporation of Andhra Pradesh shall take necessary action accordingly and submit project report expeditiously.

( BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH )
